

Judith A. O'Neill

Judith Ann Eitzen made her trip to heaven on November 28, 2018 at the Pineview Nursing Home in Valentine, NE. Judy was born on October 29, 1940 in Deadwood, SD where she spent her childhood years. Her parents were Jack and Edna Eitzen. When Judy was 12 years old, the family moved to Edgemont, NE. Two years later, they all moved to Valentine, NE where Judy attended high school. After graduating high school, she worked at the county clerk's office here in Valentine for two years. She married and had four children: Sandra Lang (Ken), Tony O'Neill, Rick O'Neill (Kari), and Bethany O'Neill. She was preceded in death by her parents Jack and Edna Eitzen and her little brother Ralph Eitzen. She is survived by her four children, little brother Jack Eitzen Jr., and 6 granddaughters: Sam Lang, Alex Lang, Devon Lang, Tyler O'Neill, Tanner O'Neill and Dali O'Neill.

Judy was an active member in the Harrington community for 40 years and had a large impact on many people. She served on the county and state 4-H boards. Judy spent many days sweeping hay, running silage trucks, and cooking for as many as 15 hired hands every day. She was revered for her cooking skills. She found joy in raising chickens, gardening, oil painting, spoiling her granddaughters, and her two weenie dogs. Judy was a devoted mother and grandmother. She touched the lives of everyone she met. She left an impact on the community and will never be forgotten. Though we will miss Judy's warm and loving heart, we know she is happy and at peace.

In Celebration Of Life

Judith A . O'Neill

10-29-1940 ~ 11-28-2018

The moment that you died
My heart was torn in two,
One side filled with heartache,
The other died with you.

I often lie awake at night,
When the world is fast asleep, and
Take a walk down memory lane,
With tears upon my cheeks.

Remembering you is easy,
I do it every day,
But missing you is heartache
That never goes away.

I hold you tightly within my heart
And there you will remain.
Until the joyous day arrives,
That we will meet again.
