**We'll Always Remember**

That special smile that caring heart  
 That warm embrace you always gave us.  
 We'll always remember you being there.  
 For all of us, through good and bad times,  
 No matter what. We'll always remember  
 You, because there'll never be any one  
 to replace you in our hearts, and  
 the love we will always have for you.
