If There Was No Tomorrow

If I knew it would be the last time
That I see you walk out the door
I would give you a hug and kiss
And call you back for one more.

If I knew it would be the last time
I'd hear your voice lifted up in praise
I would tape each action and word
So I could play them back day after day.

If I knew it would be the last time
I could spare an extra minute of two
To stop and say "I love you"
Instead of assuming you would KNOW I do
Tomorrow is not promised
To anyone young or old alike
And today may be the last chance you
Get to hold your loved ones tight.

In Loving Memory Of

*Corrine
White Thunder*

*Baby

When I Must Leave You

When I must leave you for a little while
Please do not grieve and shed wild tears
and hug your sorrow to you through the years.
But start out bravely with a gallant smile;
And for my sake and in my name,
Live on and do all things the same.
Feed not your loneliness on empty days,
But fill each waking hour in useful ways.
Reach out your hand in comfort and in cheer
And I in turn will comfort you and hold you near;
And never, never be afraid to die,
For I am waiting for you in the sky!
