## There is a Special Angel

There is a special Angel in Heaven  
that is part of me.

It is not where I wanted him  
but where God wanted him to be.

He was here but just a moment  
like a night time shooting star.

And though he is in Heaven  
he isn't very far.

He touched the hearts of many  
like only an Angel can do.

So I send this special message  
to the Heavens up above.

Please take care of my Angel  
and send him all my love.
