*When I come to the end of the horizon  
And enter the other shore  
Remember me with fondness.  
Cry for me no more.*

*I have found my final resting place  
That special spot to fish  
Remember the times that we shared  
You too, I will miss*

*This is the journey I must take,  
and I must go alone  
Know that my heart is with you,  
as I take this journey home.*

*To that final fishing hole  
For fishermen like me  
To tell the biggest fishing tales  
About the one that got away*

*Remember me with fondness  
This is not goodbye  
It is "Till we meet again"  
At the fishing hole in the sky*
