**Remember**

That special smile  
That caring heart  
That warm embrace  
You always gave us.  
We'll always remember  
You being there.  
For all of us.  
Through good and bad times  
No matter what.  
We'll always remember you  
Because there'll never be any one  
To replace you in our hearts.  
And the love we will  
Always have for you.
