Do not stand at my grave and weep:

I am not there, I do not sleep.

I am a thousand winds that blow:

I am the diamond glint on snow.

I am the sunlight on ripened grain:

I am the gentle autumn's rain.

When you awaken in the morning's hush,

I am the swift uplifting rush

Of quiet birds in circled flight.

I am the soft star that shines at night.

Do not stand at my grave and cry.

I am not there: I did not die.

We'll Always Remember

That special smile
That caring heart
That warm embrace
You always gave us.
We'll always remember
You being there.
For all of us.
Through good and bad times
No matter what.
We'll always remember you
Because there'll never be any one
To replace you in our hearts.
And the love we will
Always have for you.
