*Until We Meet Again*

*Those special memories of you will always bring a smile.*

*If only I could have you back for just a little while.*

*Then we could sit and talk again just like we used to do.*

*You always meant so very much and always will do, too.*

*The fact that you're no longer here will always cause me pain.*

*But you're forever in my heart until we meet again.*

*~ From Michelle Lapointe*
