*Tunkasila saw you getting tired
And a cure was not to be.
So He put His arms around you
And whispered, "Come with me."
With tearful eyes we watched you suffer
And saw you fade away.
Although we loved you dearly,
We could not make you stay.
A golden heart stopped beating,
You're now at peaceful rest.
Tunkasila broke our hearts to prove to us,
He only takes the best.*
