“Be Ready at Anytime”

*As I went thru my trials and tribulations with my life;
I have learned to realize to be ready at anytime he is
ready to call you home.*

*I have suffered for all I have ever done wrong; he said I
forgive you and your journey won't be long.*

*This place I'm at is like no place I have ever seen;
I woke up and thought it was a dream.*

*The happiness I am feeling I can't explain; Don't cry for
me, as now I feel no pain.*

*I cried tears before I left for my Journey; Now I won't cry
no more tears, as the good dear Lord now has me.*

Be ready at anytime; You will have his love for a lifetime.

*The hurt in your heart will no longer be there, it will be
replaced with pure joy & happiness. He will accept you with
arms wide open and will give your rest.*

*Cry for me just a little while but let me go; ask him and
you shall receive the brightness of the light and love will
“forever” glow.*

I am set free; He showed me the love he has for me.

*I am with everyone I ever missed and cried for; There is a
light all around and so much more.*

*I say to you be ready anytime you're called home; he is the one
you need to know.*

*I will wait for you when it is your time to take your journey
home; I hope and pray your understanding everything in this poem.*

*Written by your daughter,
Athel Lynn*
