If There Was No Tomorrow

If I knew it would be the last time
That I see you walk out the door
I would give you a hug and kiss
And call you back for one more.

If I knew it would be the last time
I'd hear your voice lifted up in praise
I would tape each action and word
So I could play them back day after day.

If I knew it would be the last time
I could spare an extra minute of two
To stop and say "I love you"
Instead of assuming you would KNOW I do

Tomorrow is not promised
To anyone young or old alike
And today may be the last chance you
Get to hold your loved ones tight.
