

MOTHER

Mother, you're special in so many ways.
You lighten the nights and brighten the days.
There's so much love in your warm embrace.

No one could ever take your place.
You taught me so much in my younger years.
You shared my laughter, you dried my tears.
So many times I've counted on you.
To help make my hopes and dream come true.
Through the years, you've given so much.
You've always had that special touch.
My mother, my teacher, my best friend, too.
Mother, you know how much
I love you and will miss you!
