All Relatives, Family And Friends

Don't think of him as gone away—

His journey's just begun,

Life holds so many facets—

This earth is only one...

Just think of him as resting

From the sorrows and the tears

A place of warmth and comfort

Where there are no days and years.

Think how he must be wishing

That we could know today

How nothing but our sadness

Can really pass away.

And think of him as living

In the hearts of those he touched...

For nothing loved is ever lost—

And he was loved so much.
