Ramon Lewis Good Buffalo

Ramon Good Buffalo, 52, was born on October 19, 1968 to Charlotte Swalley-Good Buffalo and Manuel Good Buffalo in Rosebud, SD. He passed away at Monument Health in Rapid City, SD on Sunday June 13, 2021.

Ramon grew up in Okreek, SD surrounded by all his cousins and friends. He attended elementary school at Okreek and then Todd Co. High School, where he graduated in 1989. Ramon was a star athlete and loved running and competing in sports. He held the 100 yard dash record of 9.53 until it was broken in 2007.

After graduation, he went into carpentry, building local buildings such as RST Adult Corrections, Mission Medical Center, SGU Admin. Building, Witten Bar, renovating many houses and much more. He then began his own company, Good Buffalo Construction. He was a dedicated worker and made sure he got the job done.

He later became Okreek Chairman and was so proud to serve his community, working hard for the elders by making sure they had wood, cooked and delivered food to them, weatherized their homes and any repairs needed. He loved to joke around, socialize with everyone, helping anyone in need.

Ramon was a loving father to Torrey Fast Horse, Talisa Fast Horse, Auriyah Prue, Brionna Fast Horse and Ramon Good Buffalo, Jr. He cherished and loved his family, was a proud grandfather to all his grandchildren, nieces & nephews.
