We'll Always Remember

That special smile
That caring heart
That warm embrace
You always gave us.
We'll always remember
You being there.
For all of us.
Through good and bad times
No matter what.
We'll always remember you
Because there'll never be any one
To replace you in our hearts.
And the love we will
Always have for you.

After Glow

I'd like the memory of me
To be a happy one,
I'd like to leave an afterglow
Of smiles when day is done.
I'd like to leave an echo whispering
Softly down the ways,
Of happy times and laughing times
And bright and sunny days.
I'd like the tears of those who grieve,
To dry before the sun
Of happy memories that I leave
Behind when day is done.
