**To Those I Love and Those Who Love Me**

When I am gone, release me, let me go.

I have many things to see and do

You must not tie yourself to me with tears,

Be thankful for our beautiful years.

I gave to you my love, you can only guess,

How much you gave to me in happiness,

I thank you for the love you each have shown

But now it is time I travel on alone.

So grieve awhile for me

Then let your grief be comforted by trust

It's only for a time that we must part.

So bless the memories in your heart.

I won't be far away for life goes on.

So if you need me, call and I will come.

Though you can't see or touch me, I'll be near

And if you listen with your heart, you'll hear,

All my love around you soft and clear.

And then, when you must come this way alone,

I'll greet you with a smile and say,

"Welcome home."

**FOR  
MY DAD  
IN HEAVEN**

They say there is a reason,

They say time will heal.

Neither time or reason

Will change the way I feel.

Gone are the days

We used to share,

But in my heart

You are always there.

The gates of memories

Will never close.

I miss you more than

Anybody knows,

Love and miss you everyday

Till we meet again.

**Always & Forever Love You, Dad**
