## When I'm Gone

When I come to the end of my journey  
And I travel my last weary mile,  
Just forget if you can, that I ever frowned  
And remember only the smile.

Forget unkind words I have spoken;  
Remember some good I have done.

Forget that I ever had a heartache  
And remember I've had loads of fun.

Forget that I have stumbled & blundered  
And sometimes fell by the way.

Remember I have fought some hard battles  
And won, ere the close of the day.

Then forget to grieve for my going,  
And remember the place where I lay,

And come in the evening  
When the sun paints the sky in the west,  
Stand for a moment beside me  
And remember only my best.
