LITTLE BUTTERFLY

I lived my life inside you. Cocooned in all your love. So mama, papa, please don't cry I'm still with you, just up above. I felt your every heartbeat. It's my sweetest melody. And for every heavenly bedtime, the Angels play it back to me. I know how much that I am wanted

I feel so very blessed Of all the mummy's in all the world, I got the very best. You think of me in all your waking hours and on those sleepless nights

Just look out the window and you'll find me the brightest star, the most dazzling light. I'm that little breeze in the summer and I'm that unexpected white feather I plucked it from my downy wings. So that you remember we are always together. I know how much it hurt your soul when we had to say goodbye. But I am not gone, in always here. I am your sweetest little butterfly
