**If There Was No Tomorrow**

If I knew it would be the last time  
That I see you walk out the door  
I would give you a hug and kiss  
And call you back for one more.

If I knew it would be the last time  
I'd hear your voice lifted up in praise  
I would tape each action and word  
So I could play them back day after day.

If I knew it would be the last time  
I could spare an extra minute of two  
To stop and say "I love you"  
Instead of assuming you would KNOW I do

Tomorrow is not promised  
To anyone young or old alike  
And today may be the last chance you  
Get to hold your loved ones tight.
