*When I go,  
don't learn to live without me,  
just learn to live with my love,  
in a different way.  
And if you need to see me,  
close your eyes,  
or look in your shadow,  
when the sun shines,  
I'm there.  
Sit with me in the quiet  
and you will know,  
that I did not leave.  
There is no leaving when a soul is  
blended with another.*

*When I go,  
don't learn to live without me,  
just learn to look for me  
in the moments.  
I will be there.*
